## The History of CJ Services

CJ Services was formed in 1995 to provide a dedicated, high quality, Point of Sale Installation and Maintenance service. Establishing a reputation for efficiency and dependability across its range of in-store services the company expanded to embrace the full mix of field marketing services.

Our in-depth knowledge of in-store marketing has helped us deliver some of the largest point of sale campaigns across the UK.

Our dedication to continuous improvement has allowed us to pioneer some of the most advanced reporting systems in use in the Point of Sale industry, providing our clients with authoritative information to make informed decisions with real confidence.
